

Clinical Specialist (MSK)

WHO ARE WE?

- We are Circle Health Group.
- We are the number one independent provider of hospital services in this country, with more than 50 hospitals, 6000 specialists and 2 million patient visits each year.
- We offer high quality, safe, accessible and affordable healthcare.
- We want to be the most innovative and patient focused healthcare organisation.

WHO ARE YOU?

- You make sure that standards of patient care are consistently applied and maintained.
- You maintain and enhance customer service and satisfaction.
- You promote and safeguard the wellbeing and interests of all patients, employees and visitors.

WHAT DO YOU DO?

- Support the team to deliver care that helps improve the health of the individual and wider community
- Support the team in demonstrating compassion through effective relationships based on empathy, respect and dignity.
- Provide physiotherapy assessment and treatment for general outpatients as necessary.
- Make an active contribution to the marketing, promotion, and development of the Musculoskeletal service within
- the hospital, working closely with the regional marketing team, consultants, and GP referrers.
- To ensure compliance with appropriate regulatory and best practice frameworks.
- To take an active role in supporting the implementation of national developments locally.

WHAT DO YOU HAVE?

- Chartered Physiotherapist with extensive postgraduate general physiotherapy experience, as well as a proven track record of clinical expertise within a specialist area.
- Member of the Chartered Society of Physiotherapy (CSP).
- Registered with the Health and Care Professions Council (HCPC).
- Knowledge of CSP and HCPC Codes and guidelines and their implications for practice.
- Knowledge of the Care Standards Act and Care and Quality Commission Requirements.
- Strong organisational and planning skills, including risk management.
- Advanced training/recognised qualifications in specialist area.

WHAT SORT OF PERSON ARE YOU?

- You are a great communicator with different people at different levels.
- You are an excellent judge and decision maker.
- You are a highly effective problem solver.
- You are proactive and driven to succeed.
- You are punctual, committed and reliable.
- You are flexible and adaptable.

WHAT ELSE?

- This is intended as an outline of the general areas of activity. This is not exhaustive and may change due to future changes and developments.
- You have to maintain your knowledge and conduct your duties responsibly with the guidance of the Health & Safety at Work Act.
- You treat all patient information as confidential and would only breach confidence if you felt that a patient or member of staff was at risk of harm.

Health & Safety / Confidentiality

You must maintain knowledge of Health and Safety at Work Act. Ensuring appropriate measures are taken in respect of Health and Safety for staff, visitors and contractors.

In the course of their duties employees will have access to confidential material about patients, members of staff and Circle Health Group. On no account must information relating to identifiable patients be divulged to anyone other than authorised persons, for example, medical, nursing or other professional staff, as appropriate, who are concerned directly with the care, diagnosis and/or treatment of the patient. Similarly, no information of a personal or confidential nature concerning individual members of staff should be divulged to anyone without the proper authority. Failure to observe these rules will be regarded as serious misconduct, which could result in disciplinary action being taken including dismissal.

This job description is intended as an outline of the general areas of activity. This job description is not an exhaustive document and may be subject to alteration in the light of future changes and developments.

Opportunities with Circle Health Group

Circle Health Group is committed to creating a diverse workforce offering inclusive opportunities for all our colleagues. Our definition of diversity goes beyond the established characteristics protected by the Equality Act, as we strive to attract candidates with diverse experiences, backgrounds, identities or expressions, skills, work styles...and more.

Circle Health Group are proud to be a silver member of the Armed Forces Covenant, and we welcome applications from members of the Armed Forces Community. We are also part of The Valuable 500 and we pride ourselves in being a Disability Confident Employer.

We're passionate about creating an environment where our people can thrive, grow and develop professionally and personally. Our principles and values guide our colleagues to be **selfless, compassionate, committed, collaborative, brave, agile, tenacious** and **creative** and are at the core of our purpose and culture.
