

Check out our most popular member benefits

The Chartered Society of Physiotherapy is the UK's only professional body for over 63,000 physiotherapists, physio students and support workers. Whatever stage you are at in your studies or working life, the CSP will be here to help support your development every step of the way.

Access a wide range of exclusive benefits including:

Learning resources and tools

- Personal online portfolio to keep track of your learning
- Student webinars covering placements, clinical practice and CPD

- Specialist physiotherapy library service with access to over 200 e-journals, thousands of articles, e-books, e-theses, and reports
- Find the latest research articles and abstracts in our quarterly Physiotherapy Journal

Career support and advice

- Confidential professional advice and guidance whilst on placements
- Professional liability insurance whilst on placements
- Join the CSP mentoring scheme in your final year of study
- Advice on graduating and finding your first job in your final year of study
- Physiotherapy job listings and alerts
- Professional guidance, briefings, and FAQs

Be part of a wider physio community

- Connect with physio students and experts via iCSP, our online discussion forum
- Attend national and regional CSP events
- Get involved in a variety of member networks including:
 - Diversity networks for members who are BAME, LGBTQIA+, or with impairments
 - Professional networks on a range of specialities, interventions and patient types
 - Regional networks to connect with students and physios in your region or country

Stay in-the-know

- Monthly subscription to *Frontline*, the physiotherapy magazine
- Weekly Physiotherapy News e-bulletin, to keep you updated
- Quarterly Student Life e-bulletin, written exclusively for physio students

Savings and funding

- Funding towards travel for elective placements and conferences
- Discounted sports massage insurance
- Make savings on cinema tickets, holidays and laptops with CSP Plus
- 15% off CSP branded student uniform
