CERTIFIED THERATOGS FITTER LAB

For the first time in the UK, TheraTogs is offering complimentary training to become a Certified TheraTogs Fitter. In this in-person course, you will learn how to don TheraTogs garments and assorted straps to optimize postural alignment and bodyweight loading on the feet in standing position. Upon completion of this course, you will earn your Certified TheraTogs Fitter credential.

Lab Instructor

BART EECKHAUT,
CERTIFIED THERATOGS TRAINER
